Re: *United States v. Alberto Vilar* - 05 Cr. 0621

Dear Judge Karas:

I am writing to request that the Court grant the defendant Alberto Vilar an additional week to file a reply to the government's memorandum in opposition to Mr. Vilar's motions to suppress. We received the government's 41-page response on Monday, September 26, 2005, together with a copy of the search inventory, which appears to be over 100 pages and which had not previously been provided. We intend to address both the government's arguments and the inventory in our reply, which is currently due on Monday, October 3, 2005.

Given the volume of material that we must address, we respectfully request that the Court grant us an additional week, until October 10, 2005, to submit our reply.

I have spoken to AUSA Marc Litt and he does not object to the requested extension.

Thank you for your attention.

Very truly yours,

Susan C. Wolfe

Defendant Vilar is given until October 11, 2005 to file
a reply to the Government's response to Defendant's motion.
October 10 is a court holiday

SO ORDERED
